Investment Objective and Strategy

The investment objective of the Fund is to provide long-term capital growth, investing globally in companies that the Fund's Sub-Investment Manager believes contribute positively to social and environmental factors. The Fund's Sub-Investment Manager, Qblue Balanced A/S, is a boutique investment firm located in Copenhagen, Denmark which was founded in 2018 by financial services veteran, Bjarne Graven Larsen, former CIO at ATP and Ontario Teachers' Pension Plan (OTPP).

The Fund uses a systematic investment and data driven approach to identify companies that have come the furthest in the field of sustainability in every industry and region worldwide. The Sub Investment Manager's in-house proprietary investment framework, The Sustainability Cube™, systematically builds a portfolio of companies located around the world that have been identified as sustainability leaders in their respective field. In line with the Fund's sustainable objective, the ESG characteristics of the portfolio seeks outperformance in the overall ESG Industry Leadership Score, Climate Transition Score, UN SDG Score, in addition to a significant reduction in the weighted average Carbon intensity.

Risk Warnings

The Fund is subject to special risk considerations including geographic concentration risk, portfolio concentration risk and operational risk. The investment return and principal value of an investment will fluctuate so that the investor's shares, when redeemed, may be worth more or less than their original cost. Any investor should consider the investment objectives, risks and charges and expenses of the Fund carefully before investing. Where an investment is denominated in a currency other than the investor's currency, changes in rates of exchange may have an adverse effect on the value, price of, or income derived from the investment.
